Have we really come to the end of another academic year? It has been a superb year of academic achievements MA, as well as many firsts for our children including: residential trips, swimming lessons, sports competitions and volunteering projects at a local nursing home. I would like to take this opportunity to say a tremendous thank you to the Olive team for their relentless determination in ensuring that our pupils not only achieve the very best, but also experience as many opportunities as possible, to enrich their understanding of our community and beyond. But these successes would not be possible without the wonderful support we receive from yourselves, our parent community so a huge thank you to yourselves too. Your overwhelming generosity of gifts and kind words have truly touched the team. May the Almighty reward you abundantly. Thank you so much for your continued support. I would like to wish you all a wonderful summer and we look forward to seeing you all on Tuesday 3rd September at 8.30am, iA. Please continue to remember us in your duas. Once we are back in September, we will share our amended drop-off and collection procedures, following the successful completion of building works. Jzk.
