

MONTHLY NEWSLETTER

Friday 20th November

ASAK Parents/Carers. It continues to be an extremely challenging time for our school community, and I pray that you and your loved ones are in the best of health and keeping safe. Over the past few weeks, many of us have experienced the traumatic effects of this pandemic and sadly some have lost loved ones. I humbly request that you remember our pupils, staff, and our families as well as the wider community in your precious prayers. Please do forgive us for our shortcomings.

Thank you so much to all our parents for joining us on MS Teams to meet virtually for Parents' Meetings. It has been wonderful to share your child's achievements with you. Once again, a tremendous thank you for your words of kindness and support. It is greatly appreciated in these difficult times.

Super Seerah Day

A wonderful day was had by all our children and staff, during our Super Seerah Learning Day. Do look out for our Faith Newsletter which will detail more of the activities that took place and share information about the results of our different challenges. Thank you to all our families for encouraging our pupils to participate spiritually, through the Durood and Sunnah Challenges.

Children in Need

A tremendous thank you to all our families for your fabulous support in helping us to raise a phenomenal **£905.30** for this fabulous cause. It was wonderful to see the smiles on our children's faces as we participated in our activities for the day.

Car Sharing & Masks

Polite reminder: in line with government guidance, we strongly advise our families not to car share with members from other households. If this cannot be avoided, pupils must wear a mask or face covering if sharing a car with someone outside of their household. Thank you for your cooperation.

COVID Reminder

We would like to reiterate the importance of **NOT** sending your child to school if **ANYONE** in your house has a possible COVID symptom (a new cough, high temperature, loss of taste/smell). Please ring school if you are unsure and need further guidance.

This also applies if you or anyone in your household is awaiting a test result. In the meantime, it is important your child joins MS Teams at **8:30am prompt** to access their lessons from home.

Festive Winter Gift Programme

Given the added pressures on vulnerable people due to the COVID-19 pandemic, I would like us to make every effort to make this year's Festive Winter Gift Programme particularly special. Details of our planned activities will be shared this week. Thank you for your support.

Parents' Coffee and Quiz Morning

Following the super success of our last Zoom event for parents, we would like to invite parents to join us for another fun-packed session. Hosted by Mrs Dakri and Miss Taylor, our Coffee Morning promises to get you giggling and share some happy competitive moments! Save the date for Friday 11th December, 9.30am – 10.30am.

Office Team

We welcome back Ms Ayesha and Ms Kelly, who have returned from their maternity leaves. Ms Ayesha will be working mornings, whilst Ms Kelly will work afternoons. We say goodbye and thank Mrs Munshi for her time covering the office. We wish her lots of success for the future.
